

I guess I  
should  
introduce  
myself...

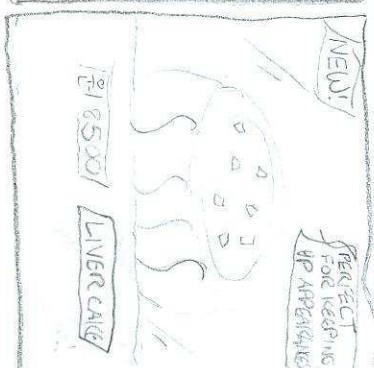

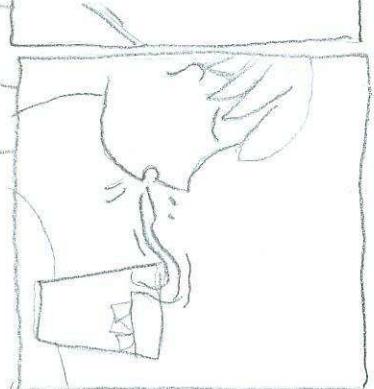

My name  
is Lee  
Sabin, and  
I'm in my  
second year  
of high  
school.

I just  
managed  
to  
sell...

Now HIKING!  
- Laniates  
- assistant  
manager  
those with  
special abilities,  
encouraged to  
apply!

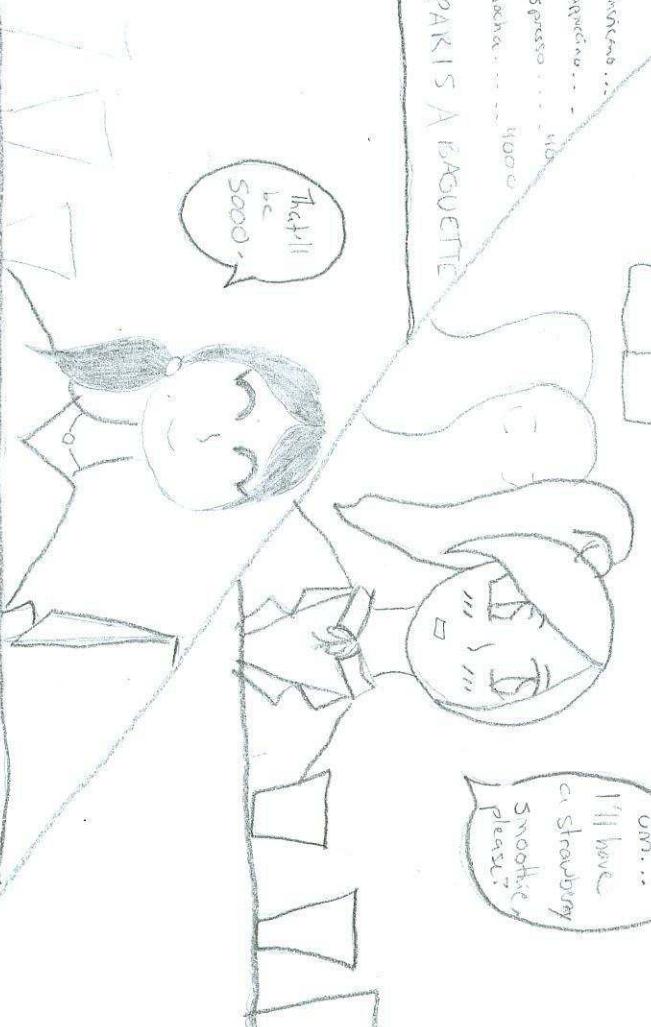

Um...  
I'll have  
a strawberry  
smoothie  
please!

OYSTERS...  
CARRIAGE...  
ESPRESSO...  
PIZZA...

PARIS A BASUETTE

That'll  
be  
sooo...

Don't  
get  
at me!  
like that!

She...

now...

Bye! Busan!  
Stop holding  
up the line!

2  
But it  
hasn't  
always  
been a  
smooth  
transition.

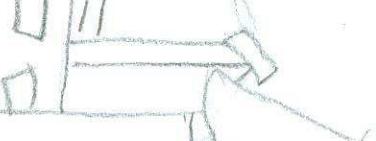

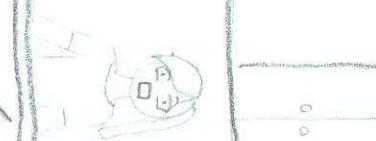

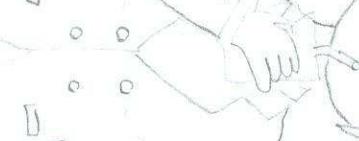

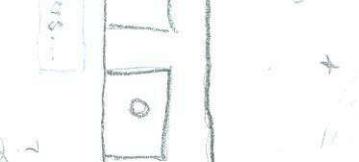

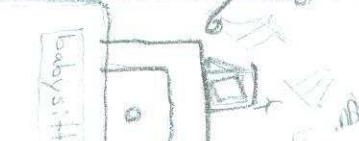

ever since I was little, people have insisted  
there's something strange about me.

#### TRACK 5

they said  
I was better off  
at the bottom  
of my class  
in Seoul...

but how?  
by, how?

I didn't  
choose  
to move  
to Seoul

...people have always  
been able to see  
something in me that  
I can't.

I never wanted to  
believe it, but...

But I didn't want to  
be the only reason I'm here.

Much less  
compared  
to my  
sister.

even as a kid  
I never did  
well in school...

KTX

than at the bottom  
of my class in a small  
city like Anyang...

My  
parents  
say me

My  
sister  
says me

My  
brother  
says me

My  
dad  
says me

My  
mom  
says me

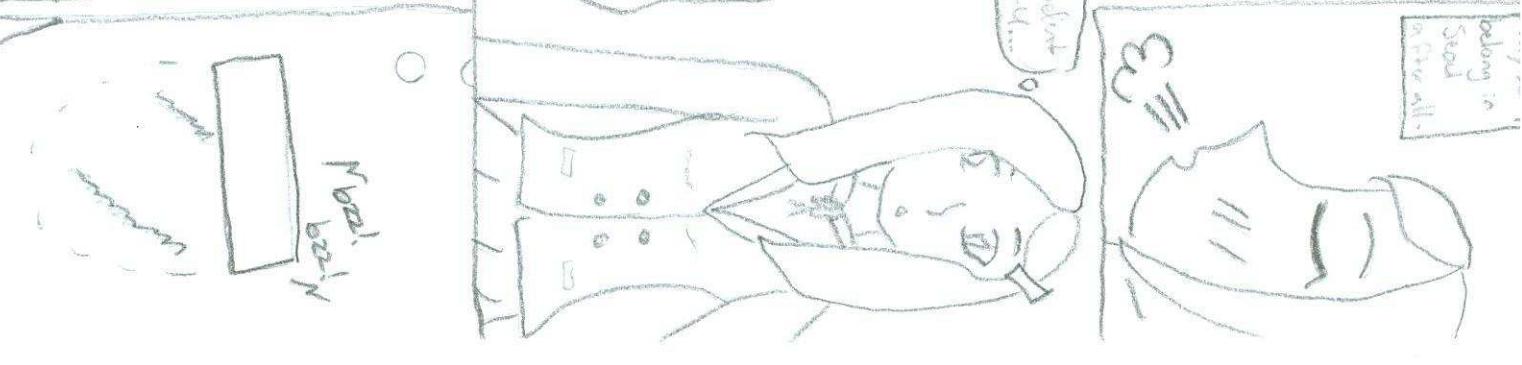

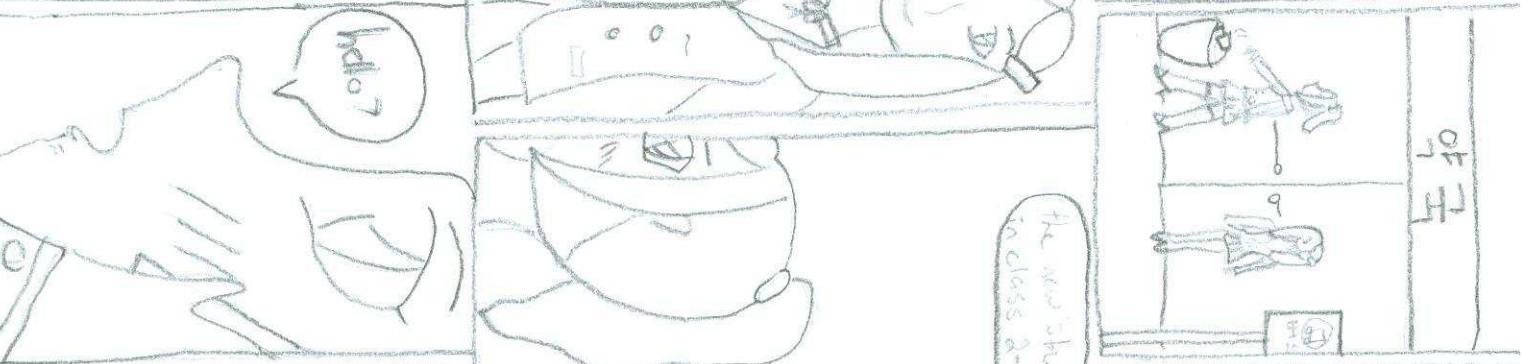

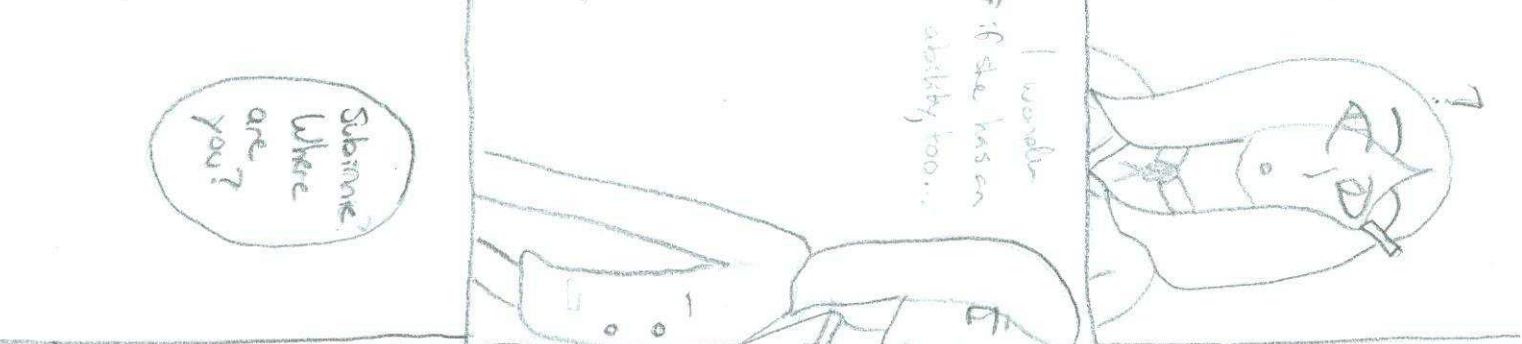

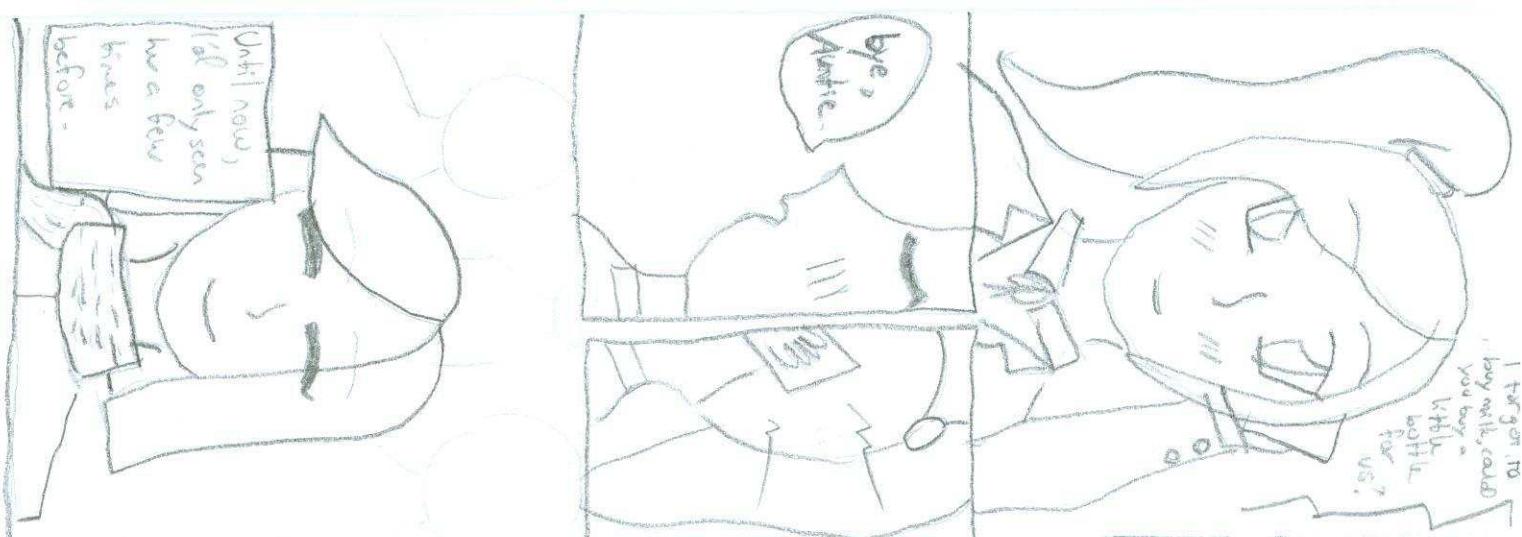

My  
teacher  
says me

My  
principal  
says me

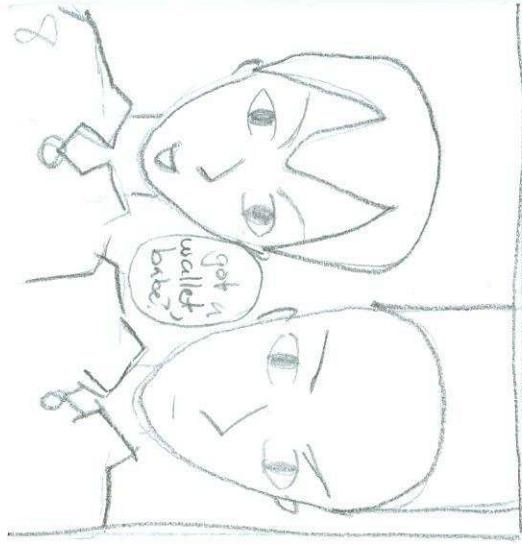

My  
bus driver  
says me

My  
neighbor  
says me

but she's just  
a little... quirky.

# 윤선여 | Yoon Sunye

- A telekinetic and a member of the school soccer team (plays forward).
- Both of her parents were also "gifted" and did freelance work for the Supernatural Corps Corporation.
- Very athletic, prefers exercise to school.
- Pessimistic and cynical, assumes the worst of people and is originally hesitant to do good deeds without reward.
- Thanks to her parents, is very knowledgeable about the supernatural.
- Cold and stubborn, hates admitting defeat.
- Strong beliefs and ideals, but doesn't want to act on them - she's afraid of getting involved in helping others after her father was killed on the job.
- Was very close to her father, especially since they had the same "ability". She still misses him. The nickname Yoo uses for Sunye, "Sunny", was one her father had used.
- Sunye's name is a deliberate mashup of her parents' names - Sungh (성) and Yegun (예근).

# 한미래 Han Mirae

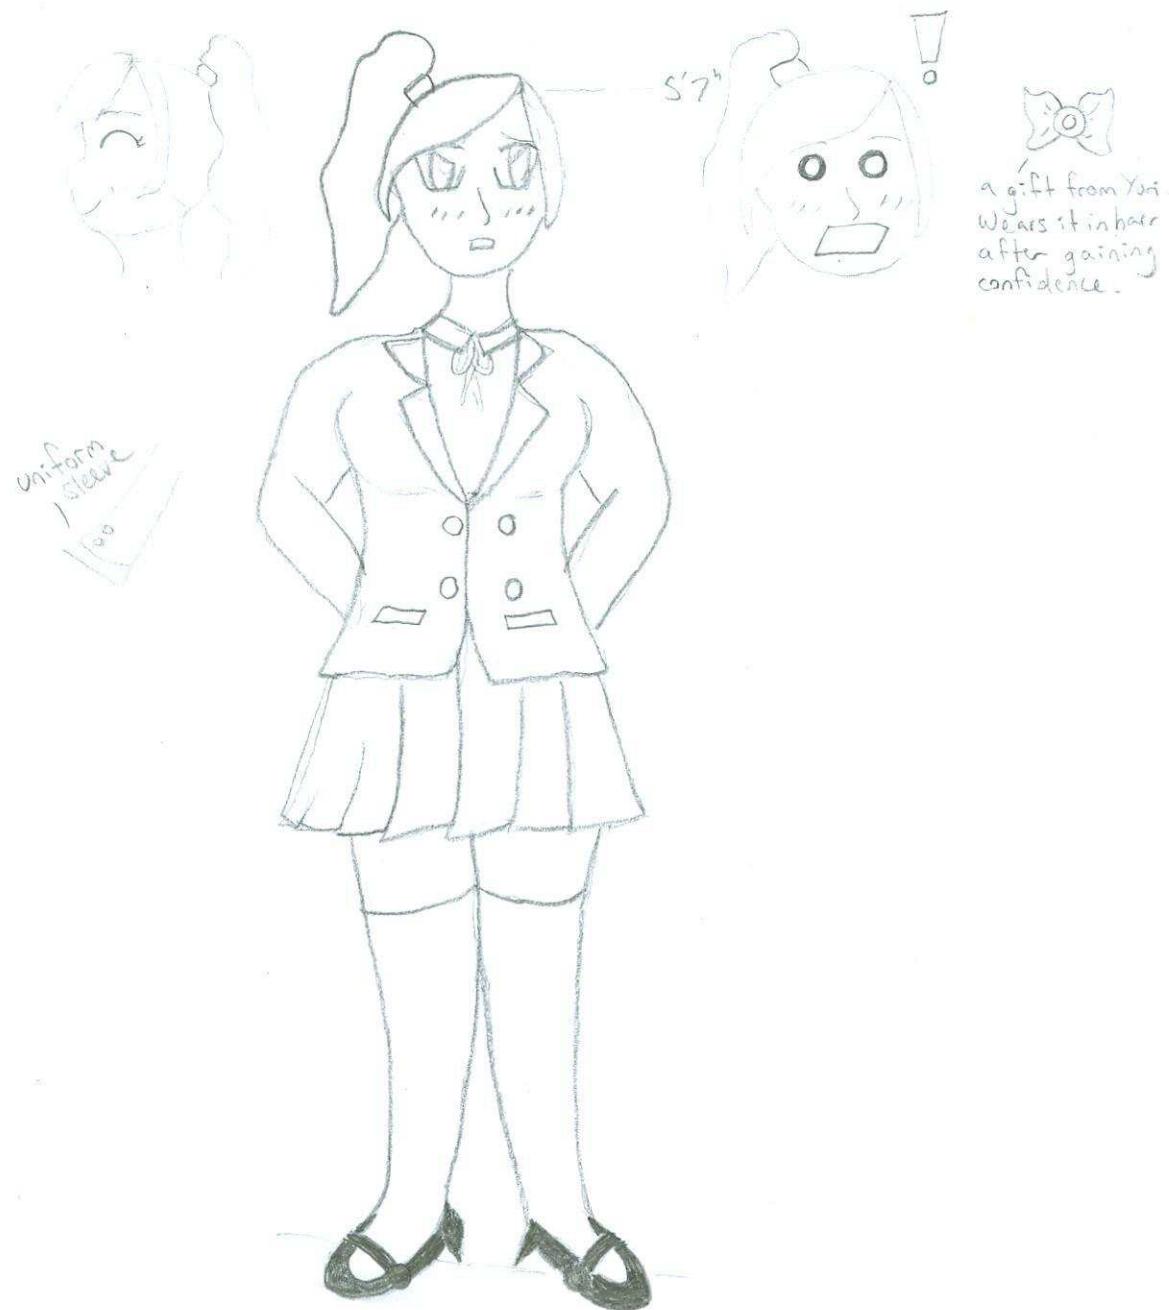

- an undercover agent for the Supernatural Crimes Corporation, code name Agent 1913 (the year of her original "death")
- first name means "future" - her mother named her in hope that she'd live to see a better world  
(this is ultimately why Mirae chooses working with the SCC / immortality over heaven)
- is immortal - even fatal wounds will heal. This comes at a price - she has to work for the SCC for at least 300 years.
- tries not to talk about herself to maintain her cover.
- her love of movies is an alias so she can film the neighborhood/troublemakers, but she generally loves movies, particularly animated ones. Her favorite is "Howl's Moving Castle".
- has a strong sense of justice and, unlike Sunye, is overall optimistic about the world. Again, tries not to talk about it to maintain her cover.
- has a strong dislike of people who misuse power or authority.
- keeps her distance from others - until now.

agent 1913  
on the job.

# 이수빈 Lee Subin

- moved to Seoul from Meryang, a small-ish town in SE Korea, speaks in dialect
- can project illusions (originally cannot control it; slowly becomes more capable)
- is insecure about her own "weirdness" / tendency to stick out due to body type, ability, education problems, dialect
- a below average student, but not unintelligent; she just needs extra attention and hands-on help
- loves animals, despite being allergic to pet dander
- painfully shy, and frequently apologizes for being a "burden"
- in a reflection of her ability, is a good advice giver and can see solutions to other people's problems, but cannot see solutions to her own personal problems
- has somewhat emotionally detached parents and an overachieving older sibling, Soojung (수정).

# 민유리 / MinYuri

- has an abnormally high body heat, which enables her to start fires and melt substances with ease
- she wears gloves to keep from burning and melting others
- A zanichi Korean who grew up in Japan and moved to Korea at the age of 10
- Still speaks Korean with a slight accent
- Is outgoing, and tends to assure others will do the right thing. Likes coaxing people out of their shells.
- Generous with her time and possessions.
- Close friends with Sunye, the first person she met after moving to Korea
- Envies Sunye somewhat, but rarely expresses this jealousy outward.
- Enjoys feminine clothes and fashion; is a card-carrying member of many idol group franchises.
